Re: Notice of Ex Parte Presentation  
IB Docket No. 01-185

Dear Ms. Dortch:

On January 29, 2003, on behalf of the Official Creditors' Committee ("Committee") of Globalstar, L.P. ("Globalstar"), the undersigned had a telephone discussion with Bryan Tramont, Senior Legal Advisor to Chairman Michael Powell, regarding the status of the above-referenced proceeding and the likely timing of the release by the Commission of an order in the proceeding. I encouraged expedited Commission action and explained that Commission action is likely to assist the bankruptcy court to adjudicate competing debtor-in-possession financing proposals. In addition, we discussed how the Commission intends to treat Iridium's request that a portion of Globalstar's spectrum assignment be revoked and assigned to Iridium. We also discussed what gating requirements the Commission intends to impose on Mobile-Satellite Service licensees to ensure that their terrestrial platforms remain ancillary to their satellite platforms.

Pursuant to sections 1.49(f) and 1.1206(b)(1)-(2) of the Commission's rules, this letter is being electronically filed with the Office of the Secretary.

Sincerely,

*/s/ Phil Marchesiello, Esq.*
